OUR MISSION

Our mission is to reduce our clients' risks, improve their performance and help them innovate to meet the challenges of quality, health & safety, environmental protection and social responsibility.

Bureau Veritas is a Global Leader in Testing, Inspection and Certification (TIC) services. Our mission is to reduce risks, improve our Clients' performance and help them innovate to meets society's demands with confidence. It is at the heart of key challenges: Quality, Health, Safety and Hygiene, Environmental Protection and Social Responsibility. Through our wide range of expertise, impartiality and independence, we foster confidence between companies, authorities and consumers.

For nearly 200 years, our brand has been synonymous with integrity and trust, for the benefit of business and people.

FOCUSED ON CLIENTS

Our 400,000 clients operate in a wide sectors. Our services create value for clients in six key ways: providing a license to operate, facilitating trade, helping them enter global markets, reducing risk, optimizing costs and protecting brands. Bureau Veritas offers its clients three main types of services: laboratory and on-site testing and analysis; inspection; certification according to their own specifications or protocols, private schemes or labels, international standards, regulations and recommendations. Our independence, integrity, expertise and impartiality are highly valued by our clients and partners.

Our people are proud to see that their work makes a positive impact every day on the lives of millions of people around the world. Bureau Veritas successes are their successes."

ISO 9001:2015, THE GOLD STANDARD FOR QUALITY MANAGEMENT

Successful companies are driven to deliver **quality**, from the way they operate to the customer service standards they establish, and the products they manufacture and sell. A commitment to quality will improve **brand equity** and **image** and ensure you are better equipped to create new opportunities in an increasingly competitive global marketplace.

The **purpose** of ISO 9001:2015 is to help you develop a robust **Quality Management System** in order to be able to respond to evolving quality requirements in line with changing social, economic and environmental expectations. The ISO 9001:2015 standard offers flexibility, enabling you to design your own quality management system around your specific products, customer needs and risks. With the ISO 9001:2015 standard, you will demonstrate the ability to consistently provide products and services that meet customer and regulatory requirements.

WHY CERTIFY TO ISO 9001:2015

Certification to the ISO 9001 Quality Management System standard ensures that your business meets consumer and legal requirements, and has a number of additional advantages:

- Continuously improve performance
